

Karan Sharma

Full-stack engineer with 3+ years of experience building and operating high-scale web platforms. Specialized in backend architecture, search systems, and self-hosted infrastructure.

Portfolio: rootz491.com

WORK EXPERIENCE

Creazilla (Full-time - Lead Developer)

(Aug 2023 - Present)

- Developing and maintaining a high-performance stock media platform. Built internal applications for image, audio, and video processing using Node.js and Puppeteer.
- Deployed and managed services on self-hosted dedicated servers with Docker and Kubernetes.
- Optimized media search pipeline using Redis & Elasticsearch, reducing query latency by ~40% and supporting 10M+ documents.

Adstia (Full-time - Full Stack Developer)

(Jun - Aug 2023)

- Built an advanced analytics web app with complex data pipelines and visual dashboards.
- Contributed to frontend components, Redux state management, and WebSocket-based real-time updates.
- Developed backend services using NestJS, ensuring efficient data handling and secure APIs.

Growhut (Full-time - Lead Developer)

(Jan - May 2023)

- Led a team of developers and coordinated directly with clients for project requirements.
- Architected and deployed scalable web applications with React and Node.js.
- Ensured timely delivery and adherence to software best practices across the team.

Yugam Technologies (Full-time - Full Stack Developer)

(Aug 2022 - Dec 2022)

- Handled client projects from design to deployment, using React, Next.js, and Express.js.
- Integrated REST and GraphQL APIs with optimized frontend performance.
- Collaborated on mobile app features using React Native.

Twitter: [@karansh491](https://twitter.com/karansh491)

Core Engineering

- Node.js, TypeScript
- NestJS, Express.js
- REST APIs, GraphQL
- WebSockets

Databases

- MongoDB
- Redis
- Elasticsearch

Infrastructure

- Docker
- Linux / Bash
- Prometheus, Grafana
- Reverse Proxy / Nginx
- CI/CD

Frontend

- React
- Next.js
- Redux
- Tailwind CSS, Chakra UI

Specialized

- Puppeteer
- Discord.js (Bots)
- Firebase, Supabase
- Sanity, Strapi (CMS)
- Stripe, Paypal (Payment)

INTERNSHIPS

Evolv Fit (Internship - Backend Developer)

Responsible for creating backend for *React web application* (portal) and *React Native Mobile app* (client) while using Express.js with MongoDB database and services like Rabbit MQ for intercommunication b/w internal services, Creating and integrating APIs with web and mobile app. [Internship Certificate](#)

Yugam Technologies (Internship - Backend Developer)

Worked with backend technologies like Nest.js and GraphQL, It's integration with frontend React application. Creating custom & reusable components for the web application and working with Database as MongoDB. [Internship Certificate](#)

ACTIVITIES & ACHIEVEMENTS

Feedbacks from clients as a **Freelance Developer** (Full-Stack Web Developer & Discord Bots)

Client: [Meraki Studio](#) (inactive now)

Feedback: [builtByBit.com](#)

Helped my university by finding & securing potential Data Breach in their infrastructure which was **leaking all student's personal information**.

Articles about **Bug Bounty** - [karansh491.medium.com](#)

Articles about **Web Development** - [karansh491.hashnode.dev](#)

OVERVIEW

Bug Bounty Hunter

Experienced in black box testing on web applications, with consent of application owners under [Hackerone.com](#), handle: [hackerone.com/rootz491](#)

Web Development

Web development is my area of expertise. With having a keen knowledge of front-end & back-end technologies as well as Database & third-party integrations.

Bot Development

Discord is a great place to play around bots. Created discord bots for personal as well as for various clients while freelancing.

System Administration

I have managed dedicated servers for the last 2 years while working for Creazilla, hosting all our applications, databases and internal tools on dedicated servers.

EDUCATION

Graphic Era University, Dehradun— MCA (OL)

2022 - 2024

Graphic Era University, Dehradun— BCA

2019 - 2022

S.G.R.R. Public School, Dehradun — High School

2016 - 2019
